

## **The procedure for consideration of submitted documents and conclusion of the agreement on the activity conditions in the park Augustow Canal**

Administration of FEZ Grodnoinvest within 14 (fourteen) working days considers the submitted documents and determines to conclude an agreement with the applicant on the activity conditions in the Park and his registration as a resident.

The agreement term - 5 working days of the date of receipt of the draft agreement by applicant, but no later than 10 working days from the day the draft agreement was sent to the applicant.

This agreement is concluded for the execution period of the investment project stipulated in the business plan and may be extended by agreement of the parties on the basis of an application and a business plan, containing justification for the necessity and possibility of continuation of the investment project implementation by a resident of the Park.

Application deadline - no later than one month before the end of the agreement term.

If there are two or more applicants with similar investment projects or with investment projects on the same unoccupied land plot, the administration holds a competition, which is announced in the media 14 days prior to it.

With the applicant who won the competition, the administration concludes the agreement.
